## *March 2021*

With prospects improving, the Committee has kept in close contact with potential northern venues for this year's Golf Day and Brigantes Breakfast. The safety and well-being of Members has been the overriding priority.

With restrictions continuing until at least June, we have had to be flexible on timing and able to cancel at short notice and no cost if the virus flares up again. To both chosen venues, we express our considerable appreciation.

### **2021 Brigantes Golf Summer Meeting, Ganton – 9.30 Wednesday 4 August**

The Brigantes Golf Day returns to Ganton, another top Championship course having staged the Ryder Cup, Walker Cup and Curtis Cup. Ganton ranks among the very best of Britain's inland links.

Details will be circulated in April, and will include the opportunity for non-golfers to join for the après-golf reception, dinner and prize-giving. For those staying overnight on 3 August, we shall be dining in the Clubhouse.

### **2021 Brigantes Breakfast, The Garden Rooms, Tennants Auctioneers, Leyburn, North Yorkshire – 12.00 for 12.30 Tuesday 24 August**

By kind permission of Liveryman Rodney Tennant (Pattenmaker), Chairman of Tennants, this year's Brigantes Breakfast will take place in the stunning surroundings of one of the UK's largest Auction Houses.

Established for four generations and very much a family business, Tennants has twenty eight specialist departments.

The Garden Rooms, Tennants latest development, were visited recently by HRH The Princess Royal, here with Rodney Tennant (right).

The normal fine-dining capacity is 450, with adjacent galleries for our Reception. Of necessity we shall be restricting numbers, but with those generous facilities we should be able to satisfy requirements for social distancing.

For early Brigantian risers, the 'Opening Lot' for the day will be the annual Brigantes Lecture which, unsurprisingly, will delve into the rarefied world of antiques, presented by leading experts.

Details will be circulated in May. For Liverymen wishing to incorporate the occasion into a short holiday break, Leyburn is 15 minutes from the A1 and is the gateway to the Yorkshire Dales.

### **2021 Brigantes Winter Gathering**

Arrangements are progressing and will be announced in the summer.
